

ADCO SERVICES, INC.

Helping America Dispose of Special Wastes Since 1965.

Generator Authorization Letter

Generator Name _____

Site Address _____

City _____ State _____ Zip Code _____

Telephone _____

This letter affirms that a representative of ADCO Services, Inc. is authorized to sign on behalf of the generator named above on all waste management documents required for the contracted waste services. This authorization includes, but is not limited to; hazardous waste manifests, bills of lading, material profile sheets, and landbans (Land Disposal Restriction Forms). The words "on behalf of" are to be added in the appropriate area after the signature of the designated representative signing the document.

It is acknowledged that, when signing any documents under this authorization "on behalf of" or "generator named above", ADCO Services, Inc. assumes none of the generator's responsibility or liability associated with such signature, and that the generator retains all responsibility or liability as the generator of this material.

By signing the Generator's Authorization Letter, I hereby certify that I am fully granting authorization and the ability to represent the above-named generator.
